

Building Surveyor – Philip Chun Building Code | Perth

Launch Your Career | Learn from Industry Leaders | Shape the Built Environment

About Philip Chun

Philip Chun is one of Australia's largest multi-disciplinary building compliance consultancies (est. 1990), advising across building code, accessibility and essential safety. Our national team includes Accredited Building Surveyors/Certifiers, Access Consultants, Airport Building Controllers and ESM specialists, partnering on landmark projects across commercial, residential, health, education, industrial, government, retail, transport and public infrastructure.

The Opportunity

We're seeking a **Cadet Building Surveyor** to join our **Perth office**. This is a hands-on role for an enthusiastic and motivated individual who wants to develop their career in building surveying and compliance across a wide range of commercial, residential, industrial and public-sector projects.

You'll be supported by experienced Building Surveyors and senior consultants, gaining exposure to assessments under the National Construction Code and other relevant legislation.

What you'll do

- Under the guidance of senior professionals, you will:
- Assist with NCC/BCA assessments and technical reporting.
- Support preparation and tracking of documentation for permits and approvals.
- Attend site inspections and contribute to inspection records and compliance reports.
- Maintain and organise project files, registers and compliance documentation.
- Provide administrative and coordination support (data entry, document formatting, correspondence).
- Gain exposure to client communication and project workflows across diverse sectors.

What you'll bring

- Previous experience in building surveying or a related field is desirable.
- Existing enrolment or willingness to enrol in tertiary studies in Building Surveying or Construction Management.
- An interest in building compliance and construction legislation
- Willingness to learn, take direction and work as part of a team.
- Clear written and verbal communication skills, strong attention to detail and proactive problem-solving.
- Ability to manage time and meet project deadlines.
- Proficiency in Microsoft Office (Word, Excel, Outlook).

Why Philip Chun

- Structured learning and mentoring from industry leaders.
- Financial support for ongoing study plus paid study leave.
- A supportive, collaborative team culture in a growing Perth office with national project exposure.
- Experience on high-profile, large-scale developments.
- Additional leave between Christmas and New Year.
- Clear career pathways, including support toward Building Surveyor registration.

How to apply

Send a cover letter outlining your suitability for the role and a CV to emily.raper@philipchun.com
